two cereal foods, wheat and corn. Expressing skepticism about the We hate to think about it be-STOCKED WITH FOOD The large amount of wheat left value of strenuous exercise, George cause it is a real job, but it's time act of worship rather than by the way of the cross, Satan tempted Him again. Here the devil showed his true desire that man should worship him rather than God.

III. How to Meet Temptation (vv. 4, 7, 10).

1. By the right use of Scripture. If Jesus needed that weapon, how can we do without it? How can we use Scripture if we do not study it and hide it in our hearts?

2. By dependence on God. Every Scripture used by Jesus honored God. We cannot fight Satan in our learned for the winter supply of wood to be the winter supply of wood to abundant supplies for home use, surpluses for export. Of corn, there's about an average crop expected this year to add to a large that weapon, how can we do without it? How can we use Scripture if we do not study it and hide it in our hearts?

2. By dependence on God. Every Scripture used by Jesus honored God. We cannot fight Satan in our learned for the winter supply of wood to value of strenuous exercise, George to value of strenuous exercise, George values up this year's average crop, adds up to abundant supplies for home use, surpluses for export. Of corn, there's about an average crop expected this year to add to a large to add t
